Executive Chef Richard Aramino, who is known for his exquisite food presentation and cuisine, has enhanced the menu with several new & improved dishes. These irresistible dishes, which launched on Wednesday, December 7th feature flavors and ingredients that will leave everyone satisfied.

Some of our new offerings include: Veal Scaloppini, Boston Harbor Flounder, Spinach and Gorgonzola Ravioli and many more. The new menu will still have our long standing favorites that our guests love, but it adds new dishes that are creative, bold and fun.
