

Don't dash to put out your trash!

A trend to put out trash cans earlier and earlier on Mondays and Thursdays for Tuesday and Friday pickup has become a source of complaints from Homeowners.

Trash and recycling cans may be placed at the curb after 6 pm on the night before scheduled pickup and should be taken in no later than 9 pm of the day of pickup.

Please adhere to this schedule and don't dash to put out your trash extra early.

Thanks!
