

GOLF COURSE PATROL

A friendly reminder that no one is allowed to walk, ride a bicycle, or drive a golf cart (unless playing golf) on the Golf Courses in IronOaks. This is in accordance with the Rules and Regulations governing the Golf Courses.

Effective February 6, 2012, we will be patrolling the golf courses on a daily basis.

The golf course Rangers will be on duty from early morning until 5 pm, when Patrol will take over and work until dark.

If you notice any violators, before 5 pm, please call either the Ironwood Pro Shop at 480-895-0614 or the Oakwood Pro Shop at 480-895-1159 to report it. If it is after 5 pm, please call 480-797-6509.
