

Gate Pass Update!

- ALL EXISTING HOMEOWNERS who have an RFID hand held card are not required to do a thing.
- If, by chance, your RFID hand held card fails, we will replace it with a new RFID hand held card, free of charge, until our supply of RFID hand held cards runs out.
- If your RFID hand held card fails AFTER we run out of our supply, we will exchange it, free of charge, for a SWIPE card that will work on the old reader.
- Starting October 1, 2011, when a NEW HOMEOWNER processes into the community, and they choose to purchase a hand held device, it will cost Them \$15.00 and it will be SWIPE card, not an RFID card. I hope this clarifies any confusion about the new Swipe Cards.
