Rev.:12-2010

Indemnification

As stated in the Association's Documents, the Homeowner and Contractor indemnifies and agree to hold the Association and its managing agent harmless from all claims, demands or liability arising out of or encountered in connection with this Agreement or the modification, whether such claims, demands or liability are caused by Contractor and Owner, their agents or employees, or contractors or subcontractors employed on the project, their agents or employees, or caused by any products installed on the project by said Contractor) or subcontractors), excepting only such injury or harm as may be caused solely and exclusively by Association's gross negligence or willful misconduct. The Contractor and Owner further indemnifies and hold the Association harmless from all liability related to any damage or relocation of existing sprinkler systems, underground utilities, exterior landscaping or any other damage to existing improvements (wherever located within IronOaks) resulting from the installation/construction of the proposed improvement

Contractor shall comply with the *Architectural and Landscape Guidelines* of the Association, as well as all other Association's Rules and Regulations.

All exterior changes, additions, and/or modifications must conform to the building codes, ordinances, and regulations of Maricopa County or the City of Chandler, whichever is applicable. The Homeowner is responsible for obtaining any and all required approvals and building permits from the applicable governing agency, prior to obtaining the ALC Permit Request and approval by the ALC.
