

# *Spring is just around the Corner!*

## *What's on your To-Do List?*

- ✓ Paint or re-paint the house?
- ✓ Add Rain gutters?
- ✓ Re-surface the driveway?
- ✓ Replace/Add landscape granite?
- ✓ Replace landscaping?

### **Did you know that:**

- ➔ The above projects require an approved ALC Permit Request as well as those involving the exterior and landscaping of your home. To be sure call the ALC Office.
- ➔ You can pick up paint chips of the approved colors in the ALC Office and obtain your ALC Permit the same day.
- ➔ Granite, building materials, etc. may not be dumped and left in the street and contractor's vehicles or trailers may not be parked overnight.

If you are planning a project, remember to stop by the Architectural/Landscaping Office or call (480) 802-2776 before you start. The staff will be happy to assist you and answer questions.

**Weeds Alert!**

With the recent rains and weather warming up it seems that the weeds have begun to grow almost overnight. Every Homeowner is reminded to check their yards and control any weeds. Please take the time to walk around your front and back yards and see that there are no weeds.
